

Hello Middle School Families,

Welcome to a new year at HOPE Community Charter! My name is Rob Goldstein and I am honored to be your child's Middle School Language Arts teacher! I will be the 8th grade homeroom teacher also. As August comes to an end, I would like to express my excitement for the start of a new school year, new learning opportunities, new friendships, and new adventures here at HOPE.

This will be my third year as a member of the Hope Community Charter family and I am greatly looking forward to the upcoming year. I believe that strong parent/teacher relationships are a key contributing factor to our students' success. I intend on making you all integral members of the classroom as proactive communication is key.

Please join us the evening of **August 26** for our **2022-2023 OPEN HOUSE** where you will have an opportunity to get to know teachers, receive useful information about expectations, etc.

The First Day of School will be Wednesday, September 7th at 7:35 a.m.

I am truly looking forward to working with and getting to know each of my students and their families this year.

Best,
Rob Goldstein
