Mrs. Audrey Szabo

Welcome to Resource Room!

I am pleased to welcome you to the 2022 - 2023 school year! I am looking forward to having your child as a student. The Resource Room is a classroom where your child will receive specialized instruction to meet their unique needs. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.
