## About Me

Hello! I'm Ms. Bridgman and I'll be teaching Science for K-8! I completed my student teaching at HOPE and have been teaching here for 2 years now. My goal is to make each class a fun, and interactive educational experience.

## Fun facts

- I love the color green
- I have two Siamese cats
- I love to hike and be in nature

## Expectations

My expectations for this year is to grow our students passion for science through exciting labs and interactive lessons. I hope to open our students eyes to the world of science and show them that anything is possible!
